Quench 1010

The Quench 1010 will upgrade any workplace that needs large amounts of ice dispensed quickly, like fleet distribution centers, convenience stores, and grocery stores. The Quench 1010 produces up to 300.28 kg/662 lbs. of crescent ice cubes in 24 hours and stores up to 294.83 kg/650 lbs. Its stainless-steel agitator ensures quick dispensing: 13.61 kg/30 lbs. in 30 seconds! Quench's state-of-the-art filtration and stainless-steel interior helps prevent bacteria growth while the stainless-steel finish resists fingerprints and dirt for easy cleaning.

Quench 1010 Features:

- Produces up to 300.28 kg/662 lbs. crescent ice cubes
- Ice storage of up to 294.83 kg/650 lbs.
